Dear Maya Zabar,

I have been advised by, Manuel Urena, Principal for Art and Design High School (02M630) located in Manhattan within District No. 02, that probable cause has been found on the charges preferred against you. In addition, I have received a recommendation that you be suspended.

I have determined that the nature of the charges against you requires your immediate removal from your assigned duties. Therefore, in accordance with Education Law Section 3020-a, I hereby suspend you with pay effective as of close of business on 9/7/2018, pending the hearing and determination of the charges preferred against you.

You are hereby directed to continue to report to your current assignment, unless you received a Notification of Reassignment from the Division of Human Resources.

\*\*If this employee is currently on a leave, the suspension with pay will take effect when the teacher returns from leave.
